January 10<sup>th</sup> 2012

Dear members of the Working Committee,

We members of the International Advisory Committee have sent individual messages expressing concern and sympathy for the damage caused by Cyclone Thane.

However we all felt we would also like to send a collective message to let you know that we are as a body standing with you and the whole Auroville community in this moment of crisis.

We are committed to do whatever we can to support you so please do not hesitate to contact us if you feel that we can be of any assistance.
