Auroville

What is needed in these times and how may we each be and do our part?

As time allows, we will invite those committed to the vision of Auroville to sit together in council, an ancient and modern way of listening from the heart

Tuesday, February 9, 7.30p – 9.30p -- SAWCHU, Bharat Nivas

We invite all ages and particularly hope some of Auroville's elders will attend.

Thursday, February 11, 430p – 630p -- Viewing Gate, Matrimandir

We invite Auroville's young people (ages 16–30), to exchange some experiences and listen together for the future.

In the spirit of global community and human unity,

the work and vision we share
