## The Fire King and the Messenger

### THE FIRE KING

O soul who com'st fire-mantled from the earth  
Into the silence of the seven skies,  
Art thou an heir of the spiritual birth?  
Art thou an ancient guest of Paradise?

### THE MESSENGER

I am the Messenger of the human race,  
I am a Pioneer from death and night.  
I am the nympholept of Beauty's face,  
I am the hunter of the immortal Light.

### THE FIRE KING

What flame wearst thou that wraps thee with its power  
Protecting from the Guardians of the Way?  
What wanderer born from the eternal Hour?  
What fragment of the inconceivable Ray?

### THE MESSENGER

It is the fire of an awakened soul  
Aspiring from death to reach Eternity,  
The wings of sacrifice flaming to their goal,  
The burning godhead of humanity.

### THE FIRE KING

What seekst thou here, child of the transient ways?  
Wouldst thou be free and still in endless peace?  
Or gaze for ever on the Eternal's face,  
Hushed in an incommunicable release?

### THE MESSENGER

I claim for men the peace that shall not fail,  
I claim for earth the unwounded timeless bliss,  
I seek God-strength for souls that suffer in hell,  
God-light to fill the ignorant abyss.

### THE FIRE KING

Ascend no more with thy presumptuous prayer  
But safe return to the forsaken globe,  
Wake not heaven's Lightning from its slumber's lair  
To clothe thee with the anguish of its robe. (*Incomplete*)

## God to thy greatness

God to thy greatness  
Of utter sedateness  
Has given a name  
That fills it with light  
Of His sovereign might.  
He has lavished a flame  
Of passionate fleetness  
On thy stillness and sweetness.  
His ecstasies seven,  
O daughter of Heaven,  
Have seized thy limbs  
That were motionless dreams.

**Working Committee report November 2016****Updates on Old and New Topics:****1. New Governing Board**

By notification dt. 23-11-2016, Dr. Karan Singh has been reappointed as Chairman, Auroville Foundation by the Minister of HRD for a period of 4 years. The remaining Board Members, other than the ex-officio Board Members from the HRD Ministry, have yet to be notified. The Working Committee has thanked the hon'ble HRD Minister for making this appointment and Dr. Karan Singh for accepting to chair the Governing Board of the Auroville Foundation once again.

**2. 50th Anniversary Celebration.**

Frederick, Chali, Fabienne and Mariana have agreed to be the core Organisation Team for the 50th Anniversary Events as approved by the Governing Board. While the request for a special grant to the HRD Ministry is still pending, the team has started preliminary work.

**3. General Meeting.**

In a general information meeting on October 29<sup>th</sup>, the Working Committee presented aspects of its work to the residents. The meeting was attended by 15 people and there was an animated question and answer session.

**4. Protection of Auroville against unwanted developments.**

Jointly with members of the Auroville Council and the interim Town Development Council, the Working Committee has issued an invitation to participate in three half-day workshops to study how Auroville can be protected from developments in contradiction to the Auroville Master Plan.

The workshops will take place on Saturday December 10, Sunday December 11 and Saturday January 7<sup>th</sup>, from 9.00 till 12.30, at the Unity Pavilion.

A detailed note on this topic was published in the 26<sup>th</sup> Nov. News and Notes #675.

**5. FAMC selection process.**

The Working Committee and Auroville Council have done an evaluation of the three-day selection process regarding the FAMC and have identified a number of lapses in the process.

An extensive note on this issue is published elsewhere in this News and Notes.

**6. Forensic audits.**

At the request of the Secretary, Auroville Foundation, and in cooperation with the FAMC, the Working Committee / FAMC has ordered a forensic accountancy to assess accounts and management of Water Harvest and the Tamil Heritage Centre.

**7. Visa matters.**

The Government of India has recently approved a liberalization, simplification and rationalization of the visa regime of India. The approval will facilitate entry of foreigners for tourism, business and medical purposes. It is unclear as yet to what extent this will be of relevance to Auroville, in particular with regard to people who visit with a tourist visa.

**8. Entry Policy 2015.**

Jointly with the Auroville Council, the Working Committee is looking into the implementation of the community approved Auroville Entry Policy by forming a subgroup called the Entry Task Group (ETG). The six-fold scope of the ETG was published in the 26<sup>th</sup> Nov. News and Notes #675.

A note on further development on this topic is published elsewhere in this News and Notes.

**9. New executives for Matrimandir.**

The Working Committee will soon start the process of selecting new executives of the Matrimandir, as the term of office of the present executives Elumalai, John, Pierre, and Srimoyi has expired. The present executives have expressed that they will remain working at Matrimandir after the new executives have been appointed and will be on hand to facilitate the handover of responsibilities to the new team. We are looking at what work needs to be done, what skills and qualifications are needed to do so, and for what time period the new team should be appointed. The areas under consideration are labour, finance, gardens, lake, oval road, maintenance and further development of the Matrimandir building, construction of a

new service building to replace existing old offices and facilities for visitors' access.

A call for new Executives will be made separately.

**10. Sea Erosion Management.**

In the month of November, the core SEM group met two times and revised several proposals. Following a presentation on the subject, it was agreed not to pursue the long-run proposal given by Mr Kumar (expert on sea erosion) which is based on SAB technology. The sub-group is collecting and discussing more proposals, including the GOI plans to build nine more groynes along the beach, and the expansion of the Pondicherry Beach Restoration Project (PBRP) to include Auroville beaches. The National Institute of Ocean Technology, one of the agencies collaborating on the PBRP has been approached and invited to Auroville, in order to discuss the latter proposal. Another short-term proposal by Mr Kumar was also submitted but not yet discussed.

In the meantime, the immediate efforts to mitigate the erosion in front of Gokulam are continuing.

The Hindu reported on December 3 that over 100 fishermen from Bommayarpalayam blocked traffic on the East Coast Road on December 2<sup>nd</sup> for over an hour demanding that work on the construction of groynes at Bommayarpalayam be resumed at the earliest. Sivanandam, president of Bommayarpalayam panchayat, who led the protest, claimed that Bommayarpalayam had been affected due to coastal erosion. A number of houses and boats had been destroyed due to coastal erosion and sea water incursion.

The next report of the Working Committee will contain the follow-up information.

**11. Security Guards.**

Security informed that the guards are often insulted or disrespected by Aurovilians. We condone this as unacceptable and boorish behaviour and invite all those who have issues with the guards to take up the matter in person with the Security Service and not with the guards who are there to secure the safety of us all.

**12. Emotional and Mental Health Group (EMH).**

A proposal prepared by the Wcom and AVC subgroup (Inge & Sandhya) and approved by the two groups has been circulated to interested Aurovilians and Newcomers. These have been invited to get together and discuss how to move forward. The outcomes of the meeting and the follow-up will be published in next month's report.

**Completed topics** (Topics that we were involved in and have either been resolved or flagged with the relevant working group. We will not be reporting any more about these topics, but they do remain on our radar):

**13. Complaint against Isaimaiyam Institution by Rayapettai.**

The dispute between Rayapettai village representatives and a few Aurovilians is on-going. It appears that, contrary to the statements of the villagers, the Aurovilians concerned are neither trustees nor executives of Isaimaiyam. Only an Aurovilian of Tamil origin is trustee since 2012.

As neither the villagers nor the Aurovilians concerned are willing to participate in a peace meeting to be organized by the Working Committee, and since the matter has been brought to court, the Working Committee closes its involvement with this issue.

**14. MM Access for Special Guests**

Jointly with the Auroville Foundation and the MM Access Team, the Working Committee has revised, simplified and established a mutual understanding of the handling of Special Guests in the Matrimandir.

**15. Strengthening of Integrated Animal Care Centre (IACC).**

The Working Committee and the Auroville Council subgroup (Inge, Marc, Sunder) have invited and met with 12 people who are interested to pick up and/or pursue the work at IACC. A SWOT analysis was conducted, roles and responsibilities of each team member were established, and next steps were laid out. The community will be receiving updates and communications from IACC itself. The subgroup will continue

to follow up, offer support and advice to IACC, whenever needed.

**On-going topics** (topics that are still on our table for which we have no noteworthy update to provide this time):

- i) Impact of GST on Auroville
- ii) Auroville Child Development
- iii) Mobility
- iv) Auroville Health Services
- v) Land Purchase Policy

## Clarification reg. individual houses/plots

The TDC frequently receives applications to build individual houses in the City and Greenbelt area. Usually, the application also requests a piece of land around it. To regulate the process of these requests, especially for individual housing, we would like to communicate the following:

The Greenbelt is mainly managed by the Farm and the Forest Group (with the Green Group). These official groups are in charge of the development in these areas and are the stewards of these lands. Housing possibilities arise only when the activity of the "steward-to-be" corresponds to the directives and guidelines of the Farm and Forest Group. The application of any building or house should be related to the activities undertaken in perspective of forest and/or farm in the Greenbelt.

In the city area (including some bordering communities), lands are reserved for projects according to land use. Projects proposed by project developers and the Housing Service find

their way to the TDC and are processed according to community-approved guidelines. In this respect, some areas are reserved for low-density housing as clusters, but only on a project basis. Thus, the TDC will not be approving free-standing houses in the city center for the moment and for a foreseeable future.

All zones need detailed development plans and some zones (like the Cultural Zone and the Industrial Zone) are areas with very specific utilization and restricted number of housing assets.

Therefore, the development of additional housing assets in these specific zones goes against this and for these reasons, we unfortunately cannot accept these applications.

The TDC has made an agreement with the Housing Service and the Land Board to protect lands which are vulnerable to encroachment. The Housing Service will propose temporary housing projects on those locations for the specific purpose of protecting the area.

Several housing projects are being built (in the Residential Zone) and residents are encouraged to search among these (details to be found at the Housing Service).

The developments mentioned above imply that space for individual houses is limited and only possible with consent of the Forest & Farm Group, the Housing Service or as a project initiated by a project developer/architect. In any case, final approval is granted by the TDC.

Yours truthfully,  
*L'avenir d'Auroville / iTDC*

## ANNOUNCEMENTS

### Entry Policy Petition Update

As you are aware, the AVC and WCom recently paused the Welcome Talks and new applications for Newcomer status on the 10th of November (published in N&N 673 of November 12th) following a Mentor Pool gathering where several concerns on the process were raised. Simultaneously these 2 groups formed the Entry Task Group (ETG) (detailed scope published in the N&N 675 on November 26th) mainly to look into these concerns and address them before re-starting the Entry Process.

At the same time, a petition was raised signed by 65 Aurovillians, asking for an RA vote to halt the entire Entry Process until clarity was reached on several points of the implementation of the policy, mainly concerning the mentors and the Mentor Pool. The RAS organized a meeting between the petitioners, ETG, AVC, WCom and Entry Service where the ETG presented their work update and the concerns of the petitioners were voiced again. Around 30 of the petitioners attended this meeting.

This meeting ended with a request from the present petitioners to stop all announcements from the Entry Service until a General Meeting was held on this topic. Following this, the AVC, WCom, ETG and Entry Service met to discuss this request - it was decided that this request cannot be fulfilled due to the following reasons.

- 1) The concern in the petition's request had previously been addressed by the working groups and action was taken with the pausing of the Welcome Talks and the processing of new applications (as previously announced). Currently, no applications are being received and no Introduction Talks at the Entry Service with applicants and their mentors are scheduled. At the moment 75 people are stopped in their processes at different stages. The only announcements that have been made in the past few weeks are of those who have fulfilled all criteria to be announced, including the consent of all 3 of their mentors.
- 2) The decision of stopping the entry process further, including all announcements, should not be made only by the petitioners, nor the AVC and WCom but should include

the wider community. The mandated process of calling for a General Meeting would be the best course of action to take at the present time to allow for this wider participation. Please see announcement from RAS on a date for this General Meeting.

Meanwhile, the ETG has continued its work of identifying areas of unclarity based on feedback received so far, and has already come up with some proposals to address these points, which will be presented to the community in a General Meeting. Some of the areas of work are:

- Adding a Tamil Welcome Talk, eventually progressing to other languages
- Identifying application pre-requisites and updating the Application Form
- Reflection on verification of data submitted
- Guidelines and workshops for mentors
- Addressing the need for more mentors and designing intermediate and long term solutions, while keeping the spirit of participation intact
- Feedback guidelines, for both giving and processing feedback, with clear criteria and responsibility
- Addressing wider implications of population growth in Auroville

The ETG intends to publish further details in the next N&N so that the community can come prepared to the General Meeting to be held soon.

In light of this decision, today's Entry Service announcement will include those who have entered in the process previously (before the pausing of new applications) and who have fulfilled the necessary conditions to be announced as Newcomers. Please note also that the period for receiving feedback on announced Newcomers is no longer two weeks, but one month.

Thank you for your attention.

Sincerely,  
*Members of the Working Committee, Auroville Council, Entry Service and Entry Task Group*

## Invitation to a General Meeting

Dear Community members,

Following up on a petition from more than 60 concerned Aurovilians the Entry Task Group formed by the WCom and AVCouncil (Angela, Mandakini, Ranjith, Elisa, Enrica, Sandhya, B, Noel and Sindhuja) are inviting you to a General Meeting on:

**Tuesday the 20th of December 2016 from 4:30 pm - 6:30 pm in the Unity Pavilion.**

-----  
**Petition received by RAS on December 7th, 2016**

"We, the undersigned, request an immediate Resident's Assembly vote to suspend the current Entry Policy until a review is conducted by an independent group appointed by the Working Committee, and that all processing of entry is suspended until such a review is completed, its recommendations are published, and a Resident's Assembly vote on any changes to the policy is completed. The reasons for suspension of the policy are as follows:

- 1) Successful implementation of the policy is dependent upon clear and approved guidelines for Mentors. No such guidelines have been presented to the community.
- 2) The entry group is processing applications and assigns mentors without approved mentor guidelines.
- 3) The community was assured that there would be a training program for mentors, but no such program has been put into place.
- 4) The community has been misled into believing that training of mentors would be a criterion for participation in the mentor pool. This has not been the case.
- 5) There are inappropriate relationships allowed between mentors and the newcomers. For example, employers can be mentors of employees, relatives of newcomers can be their mentors."

Love,

Inge for the Residents Assembly Service

## Information / update regarding Entry Secretariat members

Dear Community,

We would like to give you an update about the current membership situation in the Entry Secretariat.

B will stay and is already a confirmed member from the previous Entry Service. Ishita shifts her work to the Foundation Office independently from the Entry Secretariat, Segar and Selvam are confirmed members after their trial period of 3 months, which ends on Dec. 8th. Dhanalakshmi, Antim, Muriel and Joel have resigned and Taj never took office. Antim, Muriel and Joel offered their services as resource persons to stay as long as it is required in order to have a smooth transition and handover to new members.

New applicants for the Entry Secretariat will be preselected by AVCouncil and will afterwards go to a community feedback process of 2 weeks and a trial period of 3 months.

We again remind all of you to step forward for this important service / work to Auroville.

Best regards, *AVCouncil*

## FAMC Membership

Dear community members,

The Working Committee and Auroville Council have done an evaluation of the 3-day selection process after having received feedback on the outcome regarding the FAMC membership. After many deliberations and discussions, we have identified a number of lapses in the process, which at the time were overlooked:

1. The Temporary Feedback Review Committee had not been informed about the condition that prospective FAMC members had to be resident of Auroville for a period of 5 years, not-including their Newcomer period, in order to be eligible to serve as FAMC member. This mistake was corrected, but only at the last minute.
2. The Auroville Council and the Study Group had not given thought to the fact that both the old and the new FAMC mandate stipulate that a member cannot serve longer than 2 consecutive terms of 3 years, and that the new FAMC

mandate has an omission: it does not contain a provision that a person who had already served 2 terms in the old FAMC cannot immediately serve in the new FAMC. This omission should have been brought to the notice of the participants at the beginning of the 3-day process, and a decision should collectively have been taken, but this was not done.

3. No thought has been given to the condition in the new FAMC mandate that the membership of the FAMC shall be staggered. The mandate states that in the first appointment, the Residents Assembly shall decide on the terms of those appointed, with 3 members being given 2-year terms, 3 members given 3-year terms, and 3 members given 4-year terms. As the RA had delegated the selection of the first FAMC members to the participants of the 3-day selection process, the decision on the staggering of the terms of office should also have been made by the participants, but this was not done.
4. The 3-day selection process was not concluded properly. As the vote counting took longer than had been anticipated, the decision that the 7 elected FAMC members would decide who to choose from the group of prospective candidates who had an equal number of votes, was made rather quickly as people were waiting to go for lunch. The outcome was declared during lunch, after which most people left. No proper closing of the 3-day process happened since there was no opportunity to come back and collectively bless the final outcome.

We regret and apologize for these mistakes.

This evaluation led to our earlier joint decision, as published in the News and Notes #672 dt. 5<sup>th</sup> November 2016, that Ulli cannot serve as member of the new FAMC.

The FAMC members, however, have asked us to reconsider our decision and we have had a long discussion with them. They pointed out that neither the Working Committee nor the Auroville Council have been mandated to unilaterally change the outcome of the three-day selection process. They also stressed that the new FAMC mandate, approved by the community, does not contain a provision that a person cannot be selected as member of the new FAMC if s/he has already served two 3-year terms in the previous FAMC and that, if mistakes had been made, the outcome should nevertheless be respected.

Faced with these conflicting views, which also have an element of truth, the Working Committee and Auroville Council jointly propose to respect the outcome of the selection process, in spite of the above identified lapses. This also means that the earlier announcement of the Working Committee and Auroville Council that Ulli cannot serve in this FAMC will have to be withdrawn.

However, if the community is not satisfied with this outcome, and within a period of 2 weeks from the date of publication of this note, at least 60 people inform the Auroville Council about their objection, we will refer the matter back to the participants of the 3-day selection process.

We will request the FAMC members to make a proposal for the staggering which we will submit to the community for feedback.

Any vacancy arising because a member of the FAMC resigns before the termination of his or her term of office will be handled as per the RA approved FAMC mandate.

*The Working Committee & The Auroville Council*

A chamber choir was created recently with the support of the Centre d'Art - Citadines. And we are still looking for new male members. You like to sing in the shower? Step out of it and join us for the newly founded Auroville Chamber Choir. We are a bunch of singing enthusiasts who are looking for a few more men (tenors and basses) who would like to join us. We offer great fun and music. Why you should come? Well, singing is good for your body and soul! Rehearsals are every Tuesday from 6 to 8 p.m. at Citadine Centre d'Art.

What we do: We sing a-capella pieces from different centuries and different genres in all kinds of languages - currently we are rehearsing pieces from the Renaissance as well as a modern piece. We are singing in English, French, Spanish, Italian and Hungarian (let's see what will be next).

Here you can listen to some of the songs we are working on: [So ben mi ch'a bon tempo](#) (Italian renaissance) - [Rose madrigal](#) (modern Hungarian) - [Sing and Swing](#) (jazzy)

What we are looking for:

- You should be male - You love *a cappella* music - You have time on Tuesday evenings 6 to 8pm for rehearsals - Good point if you know how to read a music score - It would help, if you have some singing/choir experience - Interested...?

## LOST & FOUND

Scarf (Found): Pale green, soft, woolen scarf was found at Unity pavilion, most probably left behind after the General meeting last Tuesday, but could also have been the week before. If it is yours, please come and collect at Unity Pavilion office. 2623576, [unitypavilion@auroville.org.in](mailto:unitypavilion@auroville.org.in)

Phone (Lost): I lost an Iphone 6 with a black cover on Saturday Dec. 3<sup>rd</sup>, between Transformation and Town Hall. If found please call Elaine 9952463904 or email me at [me@nicolacarinani.com](mailto:me@nicolacarinani.com). Thanks, Nicola

## THANK YOU

### Atithi Griha Guest House

I have been visiting Auroville over the last few years and always stay at Atithi Griha Guest House. The atmosphere, staff and stay is always lovely and homely, but this time I was really impressed with the new additions and changes being made. The coffee machine, the painting on windows, the decor,

screens on windows, the new furniture. It was a pleasant surprise and made the stay even more pleasant and lovely. I would like to thank Atithi Griha Management for this. *Sudarshan Rodriquez, Tata Institute of Social Sciences - Submitted by Martin Scherfler Saracon*

### Proskills Cooking Program

Looking for second hand cooking, pastry and dining room equipment.

Dear community members, we need you!!

Proskills cooking program (PCP) has been going on for 5 months now with 8 apprentices and 2 main teachers: Amrit and Matteo.

PCP first year is aimed to provide youths of Auroville with cooking skills so that they discover the wealth of various nationalities cooking cultures and also be able to work as commis in restaurants. It is a mean for the youths of Auroville to acquire the practical knowledge of a job that is of value in Auroville or any other country. The cooking classes are hosted in PTDC kitchen.

Up to now we have been using PTDC equipment for cooking (By the way thank you so much to Anandi and Marie Ange for their help!!).

We would like to start setting up an application restaurant and for doing so we are in the process of buying our own equipment for cooking, pastry and diner room - But we also need your help to get to this point.

We are looking for second hand cooking, pastry and dining room equipment.

If you, individuals, restaurants, guest houses, potters, factories have cooking, pastry or dining room equipment that you don't use, please give it to this free program for Auroville Youths.

Thank you to all of you,

*Laurence for Proskills cooking team* - For more details, you can call me (mobile phone number : 80 98 95 15 62)

### Opportunity to support and contribute.

Dear Auroville Family and Friends, Individuals and Units, this is a Chance to Support another Vision Come True!

Some of you I contacted in person, and here I'm reaching out to the extended community.

If you enjoy creativity, connections, children, moments of being inspired and listening inward; if you like to be part of circles that together support and make ideas become reality, you might like to read further.

"The ever-changing story of the living goddess - Kumari, the flower girl"

This little 'Tea table book' for adults and children, is just completed and ready for print! It is a visually beautiful, colourful book, dedicated to the child in each of us and I am raising funds for self-publishing it. The link will give you a visual and written idea about the book and what is needed for its birth: [gogetfunding.com/gift-for-the-child-in-each-of-us/](http://gogetfunding.com/gift-for-the-child-in-each-of-us/)

Some of you who already noticed my on-line crowd-funding campaign, asked for the possibility to contribute within Auroville. This is your opportunity to donate towards printing & designing and/or pre-ordering the book.

You can contribute on the links in the campaign above or (via FS acc. - registered under Auroville Arts Services) Butterfly Barn Acc. 252424, description: *a. book donation (or b. book pre-order 600rs for Av.; or c. book donation & pre-order).*

Small or larger contributions together will help it go to print; and all of it shall bring me a sense of belonging and 'family' support. THANK YOU!

Welcome to contact me with any further questions or creative ideas how to make this dream reality, [dariya@auroville.org.in](mailto:dariya@auroville.org.in); or even better, stop me in person and talk to me. Thank you for reading and considering to chip in.

"Step by step, dream by dream, our stories are being born for a better world!".

*Dariya*

ps. Interesting, I am noticing how writing the above, there is certain insecurity and fear of judgement and not being supported by my own community....and with all these here it is ... Hreeemmmm...

### Deepam Celebration of Light

Monday 12<sup>th</sup> of December 2016 at 6 pm

Once again we will light more than a thousand oil-lamps which create a warm atmosphere. Karthigai Deepam has for centuries been celebrated. It originates from the legend of Lord Shiva who had transformed himself into a divine flame. A big fire is lit in this night on top of the holy mountain in Tiruvannamalai. At Deepam we work with children and youth with special needs from the surrounding villages. Deepam means light - we chose this name for our project because we want to bring light into the lives of children who are disadvantaged.  
*Please drive from Kulapalayam about 100m down the road towards the beach and enter on your right through the big orange gate into the Aspiration Campus. Follow the lights to reach Deepam.*  
Kindly be on time as there will be a short program by our children.

### Lilaloka Open Day

on Wednesday, December 14<sup>th</sup>, 4 to 6 pm

(And every following Wednesday from 4 to 6 pm)

Every Wednesday from 4 to 6 pm, starting on the 14<sup>th</sup> of December, Lilaloka will have an open day for kids, adults and whoever wants to know more about the project and what's happening. There will be activities organized like Landscaping, Fairy gardens, Labyrinth... You can also simply sit and enjoy the atmosphere, talk, read about Lilaloka... Looking forward to see you :-)!

14 December - 5.00 to 6.00 pm

*For when the Peace is established, this higher or Divine Force from above can descend and work in us - Sri Aurobindo*  
*Make peace and calm your friends and call them: «Come peace, peace, peace, peace, come!» - The Mother*  
All are welcome to join the Peace Bell ringing!

### New Auroville Economy for Manifesting the Dream

CAT - Create Auroville Together - is going on!

Let us meet where we are in touch with our inspiration and feel the resonance, the heartbeat of Unity in Diversity in action!

Unity Pavilion, Monday 19th December 2016 between 4:00 - 6:30 pm

Creating a new paradigm of what economy could be for Auroville and the world. During 2017, Unity Pavilion intends to hold a space for re-appraising and re-designing Auroville's economy to harness our values, manifest the Vision and live Auroville's Dharma in the world. CAT 4 will present the larger vision behind this in alignment with some of the efforts presently taking place within Auroville as well as in the world at large. The fields of work in 2017 will be introduced and platform created for community participation.

CAT is a springboard from a relative stagnate system to a culture that unleashes our creative energies. CAT is a collaborative space and the CATs team is not influencing the content.

Love, Inge, Mita, Sandhya and volunteers from the CAT team

### «KAZA ECO-COMMUNITY CENTRE»

*Building in the Spiti Valley: AVEI's Award-winning*

*Directors: Satprem - Lara K. Davis*

Lara and Satprem from the Earth Institute will give a presentation on AVEI's recent project the "Kaza Eco-Community Centre", which won the "Low Carbon" award at the UN Climate Conference in Marrakech.

*Presentation given exceptionally in English (90 mn)*

Saturday, 17<sup>th</sup> December 2016, 5:00 pm

Cinema Paradiso (Town Hall)

This Centre was built in collaboration with traditional raw rammed earth masons in Spiti Valley, Himachal Pradesh, a Tibetan constructive culture which has been passed down in the valley for hundreds of generations. Building in a remote, high-altitude desert climate in the Himalayas has particular challenges: shortages of power and water, dangerous mountain roads which are closed for most of the year, extreme temperatures and weather that permit construction for brief windows of only 4 months. For many of these reasons, vernacular construction is the greatest source of intelligence for innovation in sustainable, contemporary buildings. The presentation will focus on the construction of the Centre, while giving some perspective on the context of this magnificent and striking mountain valley.

## FOOTPRINT

A Contemporary Dance Performance

Saturday, 10 Dec. 2016 at 8:00 pm

Sri Aurobindo Auditorium

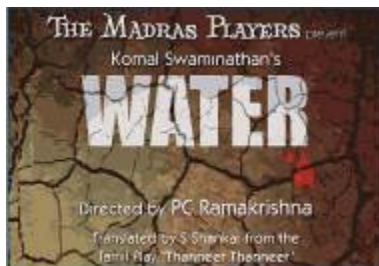

India meets Denmark in this fully integrated fusion of dance and music that merges tradition with innovation.

Four of today's most acclaimed and prolific dancers from both countries share the stage under the direction of choreographer Birgitte Bauer-Nilsen.

Footprint is inspired by the story of Siddhartha's journey towards enlightenment. Our walk of life tells a story about who we are and what makes us recognisable. When we share footprints, we gain new awareness and follow new paths.

## Restorative Circles Learning Community

\*\*Building a Compassionate Justice System\*\*  
- with *L'aura Joy*

Dec 17 & 18 (Saturday-Sunday)  
- 9.30 am - 5 pm, with a lunch break

Restorative Circles (RC) offer ways for individuals and communities to establish connection, discover meaning and recover power on profound levels. They create forums for reaching agreements that help sustain effective and nurturing relationships both personally and collectively.

This Circle process has developed within the Restorative Justice (RJ) movement, which in recent decades has rediscovered and adapted ways for communities to promote responsibility and healing. Rethinking justice, and engaging with the challenge of consciously building whole system responses to community well-being, has opened up revolutionary possibilities for furthering a culture of peace.

More info about Restorative Circles: [www.restorativecircles.org](http://www.restorativecircles.org)  
Conflict is an inevitable part of the diversity of life. Yet few of us individually, let alone as a community, know how to respond to conflict with behaviors that do not produce pain and damage relationships.

The RC process offers a way to create community spaces for conflict that are safe and constructive, not destructive. It has been described as a straightforward problem-solving and nonviolent restoration method that demonstrates how community members can resolve their own conflicts when provided with a constructive forum to do so.

The establishment of a restorative system empowers communities to consciously choose how they would like to respond to conflict before it occurs - a form of proactive, preventative conflict transformation. It enables them to choose a nonviolent response to conflict that involves the whole community in discovering their own sustainable strategies by addressing immediate as well as underlying long term causes.

Contact L'aura for more information and to register: [joylivinglearning@gmail.com](mailto:joylivinglearning@gmail.com), 9442788016.

## SCHEDULES

### Workshops in QUIET

- **Somatic Movement Workshop with Maggie**  
Saturday 17 - Sunday 18 December 2016 (2 days)  
9.30 AM - 5.00 PM (12 hours)  
Quiet Healing Center (tel. 2622329 / 9488084966)

A 2-day neuro-muscular re-education (mind-body training) workshop in the tradition of Thomas Hanna.

Somatics is a system of slow, mindful movement. It improves the function of the nervous system, creating more ease and freedom within ourselves. Somatics teaches us to recognise and release holding patterns, resulting from pain, injury, stress or habituated posture, and enhances any kind of exercise such as yoga, dance, sport or just moving through life.

You will also learn a daily practice in order to maintain better flexibility, coordination, balance and wellness, resulting in a decrease of aches commonly attributed to stress, injury and ageing.

*Maggie is a certified Somatic Movement Educator and graduate of the International Institute for Somatic Movement Education (IISME). She is also a highly experienced massage therapist, and has been working in the field of pain relief for over 15 years.*

- **Couples in Flow with Dariya & Daniel**  
Saturday 17 - Sunday 18 December 2016 (2 days)  
9.00 AM - 6.00 PM (15 hours)  
Quiet Healing Center (tel. 2622329 / 9488084966)

A 2-day journey for couples to relax, connect and celebrate. We offer a safe space and simple explorations on land and in water, where you can rediscover one another in new ways of intimacy. You will also learn easily applicable skills to hold space for each other, fun ways to be together, and connect with others in the group.

This workshop is inspired by aquatic bodywork (Watsu, Liquid Flow etc.), Tantsu (simple ways of holding and massaging on land), free dance, deep listening... and our innate longing to play, connect and simply be.

Space is limited to 6 couples. No previous experience required; also no need to know how to swim!

- **Water & Dance with Dariya & Daniel**  
Monday 19 - Tuesday 20 December 2016 (2 days)  
9.00 AM - 6.00 PM (15 hours)  
Quiet Healing Center (tel. 2622329 / 9488084966)

A 2-day workshop for lovers of movement, dance and flow. We will playfully explore and express ourselves on our own, with partners and in group, on land and in water.. From self-connection to allowing movements to unfold -- no one deciding where to go, while opening doors for non-verbal communication and sharing.

Connecting on land with our deeper longings, we give the body permission to find its own ways of expression and possibly contact others. Warm water with its sense of weightlessness

and fluidity invites us to let go and experiment with our own organic, flowing way of moving.

Water & Dance gives 15 hours of credit for registration as a supplemental class with Watsu India. No previous experience required!

- **OBA 1 - Fluid Body with Gianni De Stefani**  
Wednesday 21 - Friday 23 December 2016 (3 days)  
8.45 - 6.30 PM (25 hours)  
Quiet Healing Center (tel. 0413 2622329 / 9488084966)

Oceanic Bodywork Aqua (OBA) combines soft stretching, massage, joint release as well as energy and breath work in a unique way above and below water.

OBA 1 - Fluid Body concentrates on basic skills for working with clients under water. It also offers a process of discovery how to engage with the water element and its healing properties in a playful and relaxed way. In addition to gaining practical skills in the Oceanic Bodywork Aqua techniques, the theoretical part on land helps you to consolidate what you have learned in the pool.

Prerequisite: Watsu & OBA Basic or Watsu & Liquid Flow Basic. OBA 1 is recognized by WABA (Worldwide Aquatic Bodywork Association) and gives 25 hours of credit for registration with WABA and Watsu India.

- **Watsu & Liquid Flow Basic with Dariya & Daniel**  
Saturday 24 - Thursday 29 December 2016 (6 mornings)  
9.00 AM - 1.30 PM (27 hours)  
Quiet Healing Center (tel. 0413 2622329 / 9488084966)

Watsu & Liquid Flow are aquatic bodywork modalities given in a warm water pool. Watsu Basic introduces movements and body mechanics to work with someone on the surface; Liquid Flow Basic introduces and offers a unique underwater experience (with a nose clip).

During this course, you will practice basic techniques and qualities of moving another person in water. You will experience floating people and being floated, on the surface and under water, creating a space for deep relaxation and nurturing body, mind and spirit.

You may also discover that this kind of bodywork is something you would like to further explore, in which case this course serves as a perfect precursor to Liquid Flow Essence, Watsu 1 & OBA 1, or WaterDance 1.

No previous experience is required!

Watsu Basic (16 hours) is recognized by WABA (Worldwide Aquatic Bodywork Association) as part of the Watsu training program. Liquid Flow Basic (11 hours) is part of the Watsu India training program and recognized as a supplemental class with WABA.

- **Open Heart-Space Meditation at Quiet**  
Offered by *Samrat*  
-Tuesdays: 4.45 pm - 6.15 pm  
-Saturdays: 4.45 pm - 6.15 pm

Open Heart-Space Meditation is a simple practice of becoming aware of the reality as it is without judgement, interpretation or reaction, and settling into its vast luminous expanse.

We learn to embrace and let go of each experience as it arises and subsides. Eventually, the mind falls silent and sinks into the open heart-space, a doorway to unity-consciousness, where the inner and outer worlds meet and merge.

Along with meditation practice, the class also offers simple yoga exercises, mantra chanting, energetic healing, playful interaction and dialogue, and whatever else may arise in the moment.

*Samrat grew up in the Integral Yoga Ashram of Sri Aurobindo and The Mother for 21 years and has been living in Auroville since 2000.*

*No previous experience required to attend these classes!*

- **Life coaching sessions at QUIET**

Whether you are at a crossroads in your life, want to shine light on how to live effortlessly, or get unstuck and process emotions, a life coaching session will help you embrace your natural gifts. Through a unique blend of intuitive conversation, guided meditation, creative drawing and movement you will regain clarity, so you can make empowered choices.

*Individual sessions last one and a half hour and can be booked at the Quiet Healing Center (2622329/2622646/9488084966)*

## Workshops in VÉRITÉ

- **SOMATICS - AN INTRODUCTION FOR EVERY BODY!**

With Maggie

Monday, 12 December - 9.30 am to 12:30 pm

*Somatics* is a system of slow mindful movements (mind-body training) in the tradition of Thomas Hanna. A gentle, easy and effective way to gain more ease in the body, better posture, flexibility, coordination, wellness, and balance, resulting in a decrease of the aches and pains commonly attributed to stress, injury and aging.

*Maggie is a professionally trained Somatic Movement Educator and offers workshops, classes and clinical sessions in highly effective technique.*

- **SOUTH INDIAN ORGANIC COOKING**

with Rajaveni & Suba

Friday 16 December - from 9.30 am to 12:30 pm

Participants will pick some fresh organic vegetables from the garden with a local team, then learn how to cook them with traditional recipes, and enjoy eating the results!

*RAJAVENI is an Aurovilian who has been coordinating the Vérité kitchen for 20 years, and SUBA has been working there for the last 10 years. Both are Tamil women from the neighboring villages, happy to share the local culture with all.*

- **FATE OR CHOICE? (FAMILY) CONSTELLATIONS with Yuval**

Saturday, 17 December - from 9 am to 4.45 pm

In our lives hidden dynamics can unconsciously create our fate. To become aware of them, we can bring back choice by applying (family) constellation techniques.

*Yuval is a life & business coach.*

### AT SAVITRI BHAVAN

Monday, 12th of December 2016 at 6:30 pm

"INDIA AND THE BIRTH OF SRI AUROBINDO"

Dr. Alok Pandey reflects on India - a land of grand spiritual experiments and chosen for that. He states that Sri Krishna created the nation unit of the occult India. And the Veda, the Upanishads, Tantra, and the Gita are the expressions of this spiritual knowledge. A whole of spiritual persuasions started going deeper and deeper and further and further into the search for the spirit. One persuasion particular with Shankara landed in some kind of pure existence - keeping out mind, life

and body. This went into the unmanifest and a holy ignorance and left life with its manifold creations in the hands of the darkness. And the great energies that Sri Krishna, Christ and Buddha brought down to earth, were used by the darkness. By this extreme state of division and disconnection the spiritual energies withdrew from the earth scene and India lost its strengths and abandoned the Shakti. One after the other invasion of other nations started. That is the background at Sri Aurobindo's birth. And on this background Sri Aurobindo's aim was to make India free and he worked out to renew its spiritual knowledge and strengths. *Duration: 37min.*

# Cinema Paradiso

Multimedia Center (MMC) Auditorium

Film program 12 December 2016 to 18 December 2016

Sci-Fi uses speculative, fictional or science based depiction of phenomena that are not fully accepted (yet) in the mainstream science. In some ways they depict our dreams of the future or past on the screen. This week we bring you a few selected treasures from that genre. Hope you enjoy!

Sci-Fi Series - Monday 12 December, 8:00 pm:

- **QUINTET**

USA, 1979, Dir. Robert Altman, w/ Paul Newman, Vittorio Gassman, Bibi Andersson, Drama-Mystery-Sci-Fi, English-Latin w/ English subtitles, 118 mins, Rated: R, In the distant future the world is in the grip of another ice age. A city originally built to house five million people is now in its death throes as the relentlessly advancing glacier is slowly crushing the metropolis's steel infrastructure. The dying humanity occupies its remaining time by playing a board game called "Quintet." For one small group, this obsession is not enough; they play the game with living pieces ... and only the winner survives.

Sci-Fi Series - Tuesday 13 December, 8:00 pm:

- **ASPHALTE (MACADAM STORIES)**

France, 2015, Dir. Samuel Benchedrit, w/ Isabelle Hupert, Tassadit Mandi, Valeria Bruni Tedeschi, Comedy-Drama, 100 min., French-English-Arabic w/ English subtitles, Rated: G Improbable encounters bring tenderness, laughter and compassion to a world of urban alienation.

Sci-Fi Series - Wednesday 14 December, 8:00 pm:

- **PREDESTINATION**

Australia, 2014, Dir. The Spierig Brothers, w/ Ethan Hawke, Sarah Snook, Noah Taylor, Mystery-Drama-Sci-Fi, 97 min., English w/ English subtitles, Rated: R For his final assignment, a top temporal agent must pursue the one criminal that has eluded him throughout time. The chase turns into a unique, surprising and mind-bending exploration of love, fate, identity and time travel taboos.

Sci-Fi Series - Thursday 15 December, 8:00 pm:

- **IDIOCRACY**

USA, 2006, Dir. Mike Judge, w/ Luke Wilson, Maya Rudolf, Dax Sheppard, 84 min., Adventure-Comedy-Sci-Fi, English w/ English subtitles, Rated: R Private Joe Bauers, the definition of "average American", is selected by the Pentagon to be the guinea pig for a top-secret hibernation program. Forgotten, he awakes five centuries in the future. He discovers a society so incredibly dumbed down that he's easily the most intelligent person alive.

International - Saturday 17 December, 8:00 pm:

- **IL RAGAZZO INVISIBILE ( The Invisible Boy )**

Italy, 2014, Dir. Gabriele Salvatores, w/ Ludovico Girardello, Valeria Golino, Fabrizio Bentivoglio, 100 min., Adventure-Comedy-Fantasy, Italian w/ English subtitles, Rated: PG Michele is 13 and lives in a quiet seaside town with his mother. At school he is neither popular, nor athletic, nor a particularly brilliant student. But this matters little to

Michele whose only wish is to be noticed by his classmate Stella, the girl of his dreams and object of all his attention. But she does not seem to know he exists. He feels invisible to her. Ironically, one fateful evening, at a costume party where Michele is once again harassed by the class bullies, he discovers that he does in fact possess the power to become invisible. A new superhero is born.

Children's Film - Sunday 18 December, 4:30 pm:

- **MY FAMILY AND OTHER ANIMALS**

UK, 2005, Dir. Sheree Folkson w/Eugene Simon, Imelda Staunton, Chris Langham, and others, Comedy-Drama, 90mins, English w/English subtitles, Rated: G Feeling the depressing effects of a gloomy English summer, the Durrell family decides to pack up and move to the Greek island of Corfu in 1935. Lead by their widowed mother, 13yrs old future naturalist Gerald Durrell, his two older brothers and older sister move into a series of villas. Gerald indulges his passion for nature by filling his room with local fauna, while his brothers fill their time with writing or hunting and his sister sunbathes and flirts.

WOODY ALLEN Film Festival @ Ciné-Club

Ciné-Club - Sunday 18 December, 8:00 pm:

- **HANNA AND HER SISTERS**

USA, 1986, Dir. Woody Allen w/Mia Farrow, Dianne Wiest and others, Drama-Comedy-Romance, 103min, English w/English subtitles, Rated: PG-13 Hailed by some as Allen's best movie in his storied directorial career, this movie won three Oscars upon its release in 1986. Here the director deftly navigates the loves and lives of three sisters over the course of one year and have interior monologues reveal their most private thoughts to the audience. It is a story about love and relationships in the urban world of New York City that always feels genuine and authentic, even when the plot switches focus from one sister's personal problems to the other.

**Rating codes** we often use are from Motion Picture Association of America (MPAA): G=General Audiences, PG=Parental guidance suggested, PG-13=Parents strongly cautioned, R=Restricted (equivalent to Indian rating: A i.e. for Adults), NR=Film Not rated, Rating awaited, or Rating not available.

## 15 WAYS TO DONATE TO INTEGRATED ANIMAL CARE CENTRE

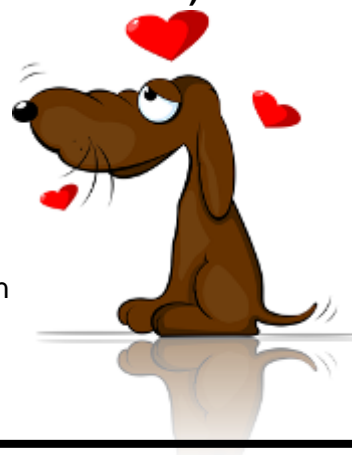

- 1. Pet food and treats** - A lot of the shelter's money goes towards buying food. Think about how many animals there are to feed. You can really help them out by bringing in a bag of dry dog food or a donation of soya, rice, or dal. It goes a long way.
- 2. Towels, old thunis, sacks, mattresses, mats and blankets** - Towels are a big help to dry animals after being bathed or if they become wet (our monsoons can get really wet and long). Towels, mats and thunis are also used to line the bottoms of enclosures. The towels or blankets don't have to be in perfect condition....the dogs don't mind a stain or two.
- 3. Puppy or Baby formula and nursing bottles** - There are often situations where very young animals, who are not weaned and do not know how to eat on their own, get abandoned without their mother. In these situations, they need baby formula (Cerelac), or ideally puppy formula to survive. And old baby feeding bottles are very helpful too
- 4. Old newspaper** - You could help animals at no cost to you if you just gave us your old newspapers. Newspapers are used for the animals to sleep on and for clean-up. They get used quickly, so they're in constant demand.
- 5. Collars and chain leashes** - We try to have a collar on every dog at the Centre. This means we need a steady stock as collars wear out in everyday doggy rough and tumble. And we prefer chain leashes to prevent a restrained dog from chewing through the leash.
- 6. Grooming supplies** - Grooming supplies can include dog shampoo, tick powder, brushes, flea combs, hair clippers, etc. Our ideal would be to have one brush per animal to avoid cross-contamination between the dogs, but we know that may only be a dream for now. Dogs need to be brushed daily to check for parasites, skin conditions and any new wounds; and more importantly, grooming gives the animals individual attention and helps them to socialise with and build trust in humans. Grooming supplies really help keep the animals healthier, well-adjusted and adoptable.
- 7. Toys** - Animals in shelters get bored, especially the enclosed ones. Having toys to entertain themselves keeps the animals from being so lonely and bored and allows them to get exercise. Old tennis balls, footballs, rawhide chew bones, hard rubber toys that your kids don't play with are all welcomed.
- 8. Medical Supplies** - Essential medical equipment like scissors, forceps, new injections and basic medical supplies like Betadine, gauze, cotton, Calendula tincture, antiseptic powder, and Hydrogen peroxide are a welcome donation. Or you could give funds towards vaccine costs - that is a lifesaving help.
- 9. Paper towels and cleaning supplies** - There are a lot of situations that get messy, so paper towels and cleaning supplies (dish soap, garbage bags, mops, brooms, and sponges) are a big help. The shelter uses these every day and clean up supplies finish quickly.
- 10. Hand wash and hand sanitizer** - People who work at shelters need to keep their hands clean for their and the animals' health. This should be a priority, but it becomes a luxury when there are insufficient resources. Disinfectant soaps, hand wash and hand sanitizers are truly welcomed.
- 11. Rubber and latex gloves** - A lot of messy stuff happens and gloves are necessary to limit the spread of germs.
- 12. An old washing machine or some bleach** - A donation of an actual washing machine would be a small miracle but we will be very grateful with bleach (a cost-effective, though not so eco-friendly disinfectant).
- 13. Flea and tick treatment** - A lot of animals live in the shelters and they often have fleas or ticks. Tick and flea powders and shampoos help us keep the animals healthy and parasite free.
- 14. Crates and carriers** - Animals need to be housed somehow, and the shelter can always use old transport crates and unused pet carriers for creating safe spaces for the weak, ill or young animals. Your donations of these crates and carriers helps the shelter tremendously.
- 15. Fencing Materials, wire mesh and other useful construction leftovers** - We are always in need of fencing materials to build more enclosures for the dogs. Most of our animals run free but some have to be contained separately for their own wellbeing; and new animals have to be isolated when they first come and are not ready to join the pack. We need enclosures also to house the animals at night. Our current priority is building an effective isolation space to separate the sick dogs from the main population - we are missing half the materials needed....

## Integrated Animal Care Centre, AV

Integrated Animal Care Centre (IACC) is Auroville's existing animal shelter. It has almost 70 resident dogs of all ages, colours, shapes and sizes; and each one with their unique special personality. All these animals are sterilised, vaccinated and dewormed and they are cared for on a daily basis by a full-time veterinarian and a team of amazing, dedicated workers, Aurovilians and volunteers.

IACC has, over the years, looked after many of the stray, unwanted and abandoned animals in and around Auroville. A large number of our resident dogs are from "puppy dumping" outside our gate or in other parts of AV. We have reached our carrying capacity for the present moment. "Carrying capacity" means we cannot take in more resident animals at this time, because of lack of infrastructure, and barely-existent financial and human resources. This situation will change as more resources become available. However, IACC was always intended as a program to improve the overall wellness for animals in need, it is NOT intended as a "care home" for countless, unwanted puppies; so we request each and every person to be responsible for their animals, in their homes and communities.

**"Being responsible" essentially means sterilising the animal before unwanted puppies are born!**

IACC continues to offer routine veterinary care, emergency medical attention, sterilizations and vaccinations for any individuals who wish to use this facility against a minimum contribution.

Dear community, IACC cannot offer it's services for free...we just do not have the means. With a monthly City Services budget of Rs. 20,000, we cover barely a third of our monthly running expenses. When you ask for an abandoned puppy in your community or outside your gate to be taken in, that animal lives with us for its life unless it can be successfully re-homed, which is rare, given the animal over-population problem we face in AV. A lifetime of care is costly, and we are compelled to ask for some donation towards this expense.

IACC has recently strengthened the team, and we have agreed that a positive way to move forward is to try to tackle the animal over-population issue from several different angles. But we cannot do it alone. We turn to the community, to everyone in Auroville, to help us with this work.

Whether it is sterilising a stray animal, adopting a young animal from the shelter, a monthly contribution of ₹100, an online fostering of one resident animal, or a donation of food, clothes, old mattresses, mats, towels, brushes, or medical supplies or a few hours of your time volunteering at the Shelter, hanging with the dogs ... Every act of kindness is received with immense gratitude. From so many tail-wagging, tongue lolling furry ones and us, humanoids too.
