*...arriving from the Future*

The New Year 2018 is upon us and with it, **the 50th anniversary of the foundation of the Auroville Universal Township - The City of Dawn** - dedicated to human unity and a new uplifting consciousness for the earth.

**Lands for Auroville Unified** and its two dedicated land campaigns - **Acres for Auroville** and **GreenAcres** - is very pleased to send you our special commemorative New Year's card.

You can see the full card below this text, and you can also [click here to see the image](#)

Thanks to the contribution of a benefactor, this card is available in paper as well. If you are in Auroville, you can pick up a hard-copy version at the Town Hall reception desk, at the LFAU office (Town hall, 1st floor), at the Unity Pavilion, or at the Visitors Centre Information Office. If you are outside Auroville and would like to receive a card, please send us an email with your postal address at [lfau@auroville.org.in](mailto:lfau@auroville.org.in)

Contributions from friends like you have enabled Auroville's Land Board to add over 30 plots over the last 3 years to the Auroville mosaic. This shows that solidarity works. Let us keep it up!

**Together we're building a beautiful gift for Auroville's needed physical base - at the dawn of her 50th year!**

With our warm wishes and appreciation,

***Lands for Auroville Unified - Acres for Auroville - GreenAcres***
