Dear Friends,
In light of the Coronavirus situation, Santé will only be receiving Aurovilians, volunteers and registered guests (with an Aurocard). No cash transactions will be taken.

All contact therapies (acupuncture, shiatsu, physiotherapy and massage) will be suspended till a later date. We apologise for any inconvenience caused.

Our doctors are available as usual and therapies in ayurveda, homeopathy and psychotherapy will continue for now.

Midwifery services will be home-based until further notice. Contact Paula via email (paulamurphy@auroville.org.in) or Whatsapp her on (+91) 7598611950.

It is highly recommended to avoid visiting Santé at present unless it is an acute or urgent case or for emergencies, especially in the case of the elderly and those with low immunity.

If you are concerned or in doubt, telephone consultations with a doctor will be available. Call Santé on (0413) 2622803.

We ask for your patience and your understanding in these interesting times.

Government rules and guidelines are changing on a daily basis and we are doing our best to implement them. We will continue to update you regularly.

Be well! Keep joy and calm in your heart. 😊

Joint advice from AV Health Centre Pharmacy and Santé:
How to wear a mask properly to protect yourself and others

1. Before putting on a mask, clean hands with alcohol-based hand rub or soap and water.
2. Cover mouth and nose with mask and make sure there are no gaps between your face and the mask.
3. Avoid touching the mask while using it; if you do, clean your hands with alcohol-based hand rub or soap and water.
4. Replace the mask with a new one as soon as it is damp and do not re-use single-use masks.
5. To remove the mask: remove it from behind (do not touch the front of mask); discard immediately in a closed bin; clean hands with alcohol-based hand rub or soap and water.
6. PTDC has reusable cloth masks available in case of need.
